16th ASEAN ORL-HNS CONGRESS
CHIANGMAI, THAILAND
11-13th November 2015

Venue:
The EMPRESS Convention Centre
Chiangmai, Thailand
To celebrate the Opening of the ASEAN Economic Community (AEC) in the year 2015, it gives me great pleasure to welcome all ENT delegates to the 16th ASEAN ORL-HNS Congress which will be held from November 11 to 13, 2015, at the EMPRESS Convention Centre, Chiangmai, Thailand. This bi-annual event is hosted by the Royal College of Otolaryngologists-Head and Neck Surgeons of Thailand. It promises to be one of the most exciting ENT meetings in the ASEAN Community, with wonderful friendship, opportunity for discussions and expanding our knowledge for the future of ASEAN Otolaryngologists-head and neck surgeons.

The theme of the 16th ASEAN ORL-HNS Congress is “ASEAN ORL-HNS-Together We Learn and Share”, which is in harmony with “The ASEAN Way” of “One Vision, One Identity, One Community”. This Congress will provide great opportunities for ENT specialists to learn and share their best practices, emerging technologies, innovations and new surgical technique for improving of treatment of various ENT diseases, and for the best of our ASEAN people.

This Congress will consist of plenary sessions, debates, mini-seminars, how I do it and workshops which allows interactions with international experts and speakers. The major precongress symposium will be organized by The Pan Asia Academy of Facial Plastic and Reconstructive Surgery (PAAFPRS). All the delegates will have good time to enjoy the social events within the meeting and the wonderful experiences in the beautiful Chiangmai City and its surrounded natural environment.
