Official Request to RCOT for ICORL 2022 Promotion

February 7, 2022

To whom it may concern,

Greetings from Korea Society of Otorhinolaryngology-Head & Neck Surgery and we hope this email finds you well.

We are planning to host the International Congress of ORL-HNS 2022 (ICORL 2022), which will be held from April 21(Thur.) to 24(Sun.), 2022 at Kintex 2 Exhibition Hall 6&7A, Gyeonggi-do, Korea. In this regard, we would like to ask for cooperation in forming a bilateral network between Korea Society of Otorhinolaryngology-Head & Neck Surgery and other countries for developing this field and promoting in your association or society the ICORL 2022.

Korean Society of Otorhinolaryngology-Head & Neck Surgery was established in 1947, and in the official society representing all physicians of Korea in the field of Otology, Rhinology, Laryngology and Head & Neck Surgery. The Korean Society of ORL-HNS has grown quantitatively to have more than 4,600 members including 4,000 regular members, 450 Associate members and 75 international members. And also, it has grown qualitatively to gain a worldwide reputation in both academic and clinical aspects.

As part of our efforts, we are seeking for the way to attract more variety colleagues from all around the world to ICORL 2022 than ever. There is no doubt that we are proud to present to our participants a truly international program with attractive and the latest issues. In addition, we are sure that you might feel like us the needs for the network to promote your own congresses in other countries and to develop your own professions much more internationally. Thus, we take this opportunity to lay down a foundation for academic network, so that you and we could promote congresses in the world and develop the field of Otorhinolaryngology-Head & Neck Surgery.
