

KORL-HNS Scholarship for International Visiting Fellows

Korean Society of Otorhinolaryngology-Head and Neck Surgery (KORL-HNS) offers scholarship program for international visiting fellows in Korea. Through the generous support of our donor Global Medical Inc. Association., the Korean Society of Otorhinolaryngology-Head and Neck Surgery awards in a KORL scholarship program to junior academics from developing countries in order to participate in International Visiting Fellowship at Korean otolaryngology institutions (arranged independently by the candidate).

The scholarship program is open to all candidates who meet the eligibility requirements. One specialist in each field of otology, rhinology and head & neck surgery will be selected and provided **monthly stipend of 800,000 KRW for six months.** If you want to continue for more than six months, you can re-apply before the program ends and get priority when selected (available only once more, up to 12months in total).

Candidates can choose one or more training programs in multiple institutes that they want. The list of available training institution will be uploaded on the official web site.

The applicant should contact the PI of the desired training institution and receive permission in advance. A permission document containing the signature of the PI and the applicant should be submitted when applying for the scholarship program. After acceptance, awardees should start the scholarship program within 1 year or else the awardee will be disqualified from the program. If awardees stop the scholarship in the middle, subsequent amount will not be provided.

After completion of the scholarship, certificate of scholarship completion will be provided by the chair of the Korean Society of Otorhinolaryngology-Head and Neck Surgery. Awardees should submit a report on the result or achievement of their observer ship, and also present it at the International Congress of ORL-HNS next year.

Eligibility requirement:

Applicants must

- ▷ Join the international membership in KORL-HNS at the website at first.
